## Project Description

\* Please provide a brief but thorough description of the project that you plan to undertake using the LIS databases.

## LIS Microdata User Agreement

\* Please check all of the following boxes to indicate your agreement to the LIS Terms of Use.

- I will use the microdata only for scholarly, research, or educational purposes; I will never use the microdata for commercial purposes.
- I will follow strict rules of confidentiality in my use of the microdata. I will never try to ascertain the identity of persons or households from the microdata. I will refrain from any attempt to view, examine, or print individual records at either the person or household level.
- I will not, under any circumstances, reveal my user ID and/or password to any person other than a member of the LIS staff.
- I agree to submit any papers that I produce using the LIS microdata to the LIS Working Paper series, and to abide by LIS' rules for citation.
- I confirm that any personal information that I submit to LIS is accurate to the best of my knowledge. I will inform LIS without delay of any changes in my status, including my educational or employment status.
- I understand that breaching any of the provisions of this agreement will lead to immediate termination of my access to all LIS services, either temporarily or permanently, at the discretion of the LIS staff, and may result in legal action being taken against me.

## Australian Datasets Supplemental User Agreement

\* LIS' Australian data provider requires that all users who are granted access to Australian microdata via LIS agree to additional conditions. Please check all of the following boxes to indicate your agreement to abide by the LIS Terms of Use of the Australian data.

- I agree not to disclose, either directly or indirectly, information on LIS files containing Australian data to any other person or organisation.
- I agree not to attempt to match, with or without using identifiers, data on LIS files containing Australian data with any other list of persons or organisations.
- I agree not to attempt to access Australian data on the LIS system after the term of my authorisation to access Australian data expires (12 months from signing this section of the Pledge) or after my authorisation is rescinded by either LIS or the Australian Bureau of Statistics.
